

Co-Creation Workshop: Open projects for the Commons

-  **What:** Discussions and co-design activities around open content and processes for digital projects, involving the third sector, NGOs, cultural activists and civil society.
-  **Why:** In order to inspire, guide and help the development of open projects.
-  **When:** The 12th of March (10am - 5pm)
-  **Where:** Zachęta – Narodowa Galeria Sztuki, Plac Małachowskiego 3, Warszawa
-  **Who:**
 -  Professionals from the third sector or NGOs & end-users
 -  Partners of cultural or social institutions
 -  Developers / programmers of applications
 -  Designers and creative minds of different fields

What do you have to bring to the sessions?

- An open mind, and constructive passion about the topic!
- Your own screen (tablet, laptop or smartphone) with your favourite app or site.
- Think about which open content or context you would like to share and work with during the sessions.
